# PHILIPS

# Highlights

## Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

## Detachable water tank

Large, detachable, transparent water tank suitable for 30 minutes of steaming. Easy refill with large filling hole.

## Glove for extra protection

Included is a glove that protects your hand during steaming.

## XL steam plate

The special ergonomic steamer head has an XL steam plate which helps you achieve results quickly.

## PVC free silicon steam hose

The steam hose is made of silicon material which is the safe and healthy choice for use with steam. As the safety and health of your family is important, no PVC is used in the steam hose.

## Steam kills bacteria

Hot steam kills up to 99.9% of bacteria on clothes and helps delaying washing or dry cleaning\*.

## Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

## Safe on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

## Removes unwanted odors

Powerful steam removes cigarette, food and body odors.
